**MAGIC JOHNSON VISITS POWERLINK IN DETROIT,  
ACCEPTS \$10,000 ON BELHALF OF SAGINAW SCHOOLS**

**DETROIT**, September 27, 2013 – Twenty-five top Powerlink employees were treated to an intimate and inspirational lunch with Earvin “Magic” Johnson at the company’s headquarters in Detroit. Powerlink President & CEO Link Howard made the announcement.

As part of the Sept. 19 event, Howard presented Johnson with a check for \$10,000 toward the Saginaw Promise scholarship program. An NBA superstar, entrepreneur, philanthropist and Michigan native, Johnson donated to \$123,000 to the Saginaw Promise scholarship program earlier this year.

“Magic Johnson is an inspiration—his passion, dedication and commitment have been instrumental to his success on and off the court,” says Howard. “I know our team will be able to take his message to heart: the importance of building relationships, taking pride in what we do everyday and over-delivering for our customers.”

Powerlink used the opportunity to recognize its high-performing employees—who work in staffing and facilities management positions for local leaders such as Henry Ford Health Systems, the Detroit Public Schools and the Karmanos Cancer Institute.

The event gave employees the opportunity to meet and have their photos taken with Johnson, as well as the chance to ask him questions about his personal, athletic and business success.
