

## Powerlink Ranked Among Michigan's Top Diversity Companies For 2009

*April 6, 2009, Detroit, Mich.* -- In recognition of the economic power of privately held businesses, DiversityBusiness.com, the nation's leading business-to-business internet site, recently named Powerlink as one of its 2009 top 100 diversity companies in Michigan. Powerlink ranked 55<sup>th</sup> on this year's list.

This is the 9th annual listing of Michigan's 100 Top Diversity Companies by DiversityBusiness.com. Companies listed as part of this list represent the Nation's top multicultural earners and challenge the long-held notion that a privately held business is small or insignificant. Winners are sought after by major corporations wishing to increase spending with small businesses.

"We are honored to be included as part of this list of Michigan's leading diversity companies," said Link Howard, Powerlink president and CEO. "This type of recognition is a direct result of Powerlink's dynamic team and our commitment to delivering excellent service to our customers."

The winning companies will be honored at a special awards ceremony at DiversityBusiness.com's "9th Annual Multicultural Business Conference", taking place April 29 – May 1, 2009 at the Disney's Contemporary Resort in Orlando, Florida.
